Dear *Mr Stacey and the Members of Camberley Art Group*

Please let me introduce myself. I am co-ordinator for the Surrey Heath contingent of Surrey Artists Open Studio which is organised by Caroline Jackman.

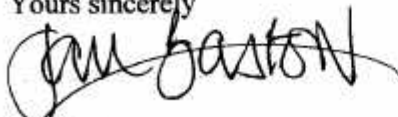

I have been part of the Surrey Artists Open Studio scheme for several years now and we are seeking to have more artists in Surrey Heath take part in the scheme. The aim of doing this is to raise awareness of the artistic potential in Surrey Heath, and to enable artists to raise the profile of their own work. By having a greater number of artists participating, we can also help each other by directing visitors to each others' studios and also encourage a greater number of visitors not only from Surrey Heath but across Surrey also. Our 'footfall' has increased from our first year of participation, as has the number of participating artists, but it would be a really positive thing if we could have even more!

I note from previous brochures that you have been part of the scheme in the past, that you have been involved in exhibiting your work or that you have expressed an interest in taking part in Surrey Artists Open Studios. I am writing to you in the hope that you would ~~reconsider~~ consider being part of the Surrey Heath contingent for 2010.

You can find information about Open Studios and how to register at the website on <http://www.surreyopenstudios.org.uk> Surrey Heath are having their welcome evening at the Bank Gallery in Chobham (73a High Street, Chobham, GU24 8AF) on Thursday 26th November , 6.00 -7.30 p.m. Please contact Caroline Jackman for the welcome evening on 07780733891.

We do hope you will be able to join us.

Yours sincerely
