

Summer in France at La Conche

This year we are renting out rooms at La Conche in Le Lot region of S.W. France.

The traditionally renovated 19th century farmhouse is ideally situated in a small valley, three minutes walk from the village of Lacave and the Dordogne River.

The village contains a shop, bars and restaurants with many more nearby. The beautiful countryside is superb for walking cycling and riding or swimming and canoeing in the river.

The lush Dordogne valley is dotted with numerous medieval villages, castles and monasteries, particularly from the time of the Hundred Years War, (1336-1431) between England and France.

Small farms cultivate the flood plain, growing crops of walnuts, tobacco, maize and sunflowers whilst on the untouched uplands, known as the Causse de Gramat, flora and fauna abound; the abode of wild boar, deer, foxes and buzzards.

The region is famous for its cuisine. Local specialities include Fois Gras, Conserve du canard, truffles, local lamb and cheeses served with Cahors and Glanes wines.

Cars, taxis, canoes, bicycles and horses are available for hire and there is an 18 hole golf course at Souillac, the local town.

For kids there is a water park and guarded swimming pools, monkey, reptile, butterfly and eagle parks and real nature.

There are also lots of music festivals going on throughout the summer. Opera, classical, jazz, blues and rock are all represented.

The whole farmhouse is available to let during the month of August at a weekly rental of £700 including services.
